THE AWESOME POWER OF GOD.

MY ROLE

ARGUE WITH NO-BODY,

JUDGE NO-BODY,

BUT MEASURE EVERYBODY.,

AND PROTECT EVERYBODY.

1 CORINTHIANS 7-19,20.

Haven't you yet leaned that your body is the home of the "holy spirit", GOD gave you, and that he lives with-in you./ Your own body does not belong to you.

For GOD has bought you with a great price. So use every part of your body to give 'glory' back to GOD., BECAUSE HE OWNS IT.

EPHESIANS

1-4 Long ago, even before he made the world, GOD chose us to be his very own, through what CHRIST, would do for us;

16. It is better to have little and be 'GODLY', than to own an evil man's wealth;
17. For the strength of evil men shall be broken, but the LORD takes care of those HE has forgiven. [a]
18. Day by day the LORD observes the good deeds done by GODLY men, [b] and gives them eternal rewards.
19. HE cares for them when times are hard; even in famine, they will have enough.
20. But evil men shall perish. These enemies of GOD will wither like grass, and disappear like smoke.
21. Evil men borrow and 'cannot pay it back'. But the good man returns what he owes with some extra besides.
22. Those ''blessed'' by the LORD shall inherit the earth, but those cursed by him shall die.

#### LONELY

I will lie down in peace and sleep, for though I am alone, O Lord, you will keep me safe. Ps. 4;8  
For the mountains may depart and the hills disappear, but my kindness shall not leave you. My promise of peace for you will never be broken, says the Lord who has mercy upon you. Isa. 54;10

Dear Kathy,

**Re: Matter of Lewis – Child Representation**

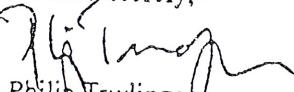

I have received your two recent letters with regard to the issue of Mr Edward Lewis, and a proposed independent psychiatric assessment.

I interviewed Mr Lewis on 22.01.02. During that appointment Mr Lewis made several statements and comments that were of concern to me. These included comments that he was "receiving messages" at night to read particular passages of the Bible, and he was implying and stating that these messages had been received from God and as well the radio. He also indicated to me that 'a battle' and 'the final battle' between 'good and evil' and 'Satan and God' was taking place within his body. He showed me a number of 'passages' the he had written as a result of messages that he had received.

These comments and behaviours are of significant concern, and without wanting to bias and independent assessment, appear to be indications of a likely significant psychosis. I would agree strongly with Dr Evans that a full and independent psychiatric assessment be undertaken of Mr Edward Lewis. I would also recommend that no contact take place at the present time between Mr Lewis and his children. I would suggest that the Hearing scheduled for the 18 February 2002 be adjourned.

Please do not hesitate to contact me with regard to my appointments with Mr Lewis or Ms Carty. I have not to date had interviews with the boys. Would you like me to make appointments or wait pending the psychiatric assessment of Mr Lewis?

Yours sincerely,
