Helen Carty states that I bought these computers with cash. She said I make money with cash jobs. I employed an indigenes male and was hoping for my business to improve. It did not as we had very limited rain over many months. I live with my parents as I would not survive with costs in this

world we live.

I am ready for all facts of my life to be known. Child Support have been the blame for many suicides as they are made up of many of the Authorities being 'heartless'. These people go home to their families after work. Do not go into my account through my bank and take out monies. I want the \$1770 dollars that the 2 computers I bought for Clinton and Thomas credited to my Child Support debt plus be assessed on my tax assessment.

Chapter 75 – 11 Met Aya Jane Perez through my friend Steven Hydes’ Face book a few months after Crissy had scammed me. The crazy thing was we were getting to know each other through Face book chat. She was coming out with conversations that all her belongings were burnt down in a house fire. She was working but she said how she shared a room with 5 other women. Then her friend sends me a message saying Aya had been run over and was in a bad way. Anyway after seeing the photo I wasn’t sure how real the injuries were. Anyway I was trying to find out her condition, and all she was wanting me to do was remove the post on face book where I had a photo of her bloodied body. A couple of my mates said it was a scam and she would be wanting large amounts of money sent to her and how many other men around the world. The money factor did come into it down the track. I did tell her I would expose her. Now Aya is known as Mjae Jhorj.
